**SUBJECT: SAFETY (ALL EMPLOYEES)**

---

**1.0 POLICY**

- 1.1. A safe and healthful environment in which to work and study is a goal of the College. Each employee must share the responsibility for maintaining and improving health and safety in College facilities and operations. Unsafe conditions or procedures should be reported promptly to the employee's supervisor so corrective measures can be taken.
- 1.2. See Section 15 Safety & Emergency Policies & Procedures
