

PAYROLL DIRECT DEPOSIT – How to Get Paid!

Snow College policy requires that all employees are to be paid by direct deposit to a bank or credit union account

Deadlines

Employee must set up direct deposit 10 days prior to payday to assure updates are processed prior to payroll run.

5th of the month (payday on 15th of month) – Student and hourly employees

Employees who have not set up direct deposit will receive a paper check mailed from the Richfield campus to their permanent home address. The Payroll Office will then follow up to ensure that the employee sets up a direct deposit.
