# ENVIRONMENTAL HEALTH

## LOCAL HEALTH DEPARTMENT

<https://centralutahpublichealth.org/>

**Sevier, Piute, & Wayne Counties**

**435-896-5451**

**Juab & Millard Counties**

**435-623-0696**

**Sanpete County**

**435-462-2449**

**Air Quality:** monitor pollution levels and investigate individual polluters within the area. This also includes investigation and compliance enforcement for smoking violations against the Clean Indoor Air Act.

**Body Art, Cosmetology, and Tanning Sanitation:** inspections of facilities to ensure safety and sanitation for the public.

**Daycare Inspections:** ensure a clean, sanitary, and safe care environment through the regulation of food handling, water supply, heating, lighting, and general safety.

**Disease Outbreak Investigations:** staff works together to investigate the cause, source, and means of a disease outbreak relating to water, food, vermin/pests, and biological or chemical contaminants.

**Drinking Water Testing:** surveys of all water supply systems to ensure clean, healthy water and operational water delivery systems.

**Food Safety Program:** inspections of food service facilities to ensure proper food handling practices and sanitation, additionally review plans and complaint investigations. This program also issues food establishment permits, food handler cards, and training to food service workers.

**Onsite Wastewater (Septic) Systems:** administration of wastewater management program including plan approval, permitting, and final inspection for all individual onsite wastewater systems.

**Public Pool:** inspections for safety and sanitation of public bathing facilities including water quality and the surrounding facilities.

**Solid Waste:** regulates the disposal of solid waste such as municipal garbage, tires, yard waste, construction debris, contaminated soil, farming waste, and other products illegally dumped within the area.

**Used Oil Recycling:** compliance inspection for used motor oil collection centers and the investigation on illegal oil disposal.
